

Dear Valued Customer,

Good news, Bad news. Bad news is S&S Air Conditioning and Heating, Inc. will be closing.

(Good news for me, I get to go fishing!)

Good news, we found a replacement company that will provide the same customer service you have become accustomed to over the last 38 years.

We have hand selected our replacement to ensure that you are well taken care of, and Air Excellence Heating & Cooling will be your trusted contact moving forward.

Thank you for all the years of loyal patronage.

Best Wishes & Warmest Regards,

Garry Schalter  
President of S&S Air Conditioning and Heating, Inc.
